

In the tradition of honouring hospice volunteers and in memory of the late June Callwood, Hospice Palliative Care Ontario is pleased to announce our annual call for inductions into the June Callwood Award Circle of Outstanding Volunteers.

The June Callwood Award was established in 1994 by the Hospice Association of Ontario, joined in 2011 with Ontario Palliative Care Association to form Hospice Palliative Care Ontario, to acknowledge and thank outstanding hospice volunteers throughout Ontario. The award was named in honour of the late June Callwood, the Award Patron, long-time advocate of hospice, community activist, author, and recipient of the Order of Canada. June was a recipient of this award in 1995.

Volunteers are special people - a view strongly held by Ms. Callwood and expressed by her on many occasions, during interviews on TV and radio, through her warm message of support at HAO's annual conferences and through her writing. Her book, *Twelve Weeks in Spring*, captured the spirit of hospice and emphasized the importance of the many and varied contributions of a team of volunteers.

In all her years as a journalist, author, broadcaster and humanitarian, June Callwood's name became synonymous with integrity, talent, and passion for social justice. She has touched the lives of generations of Canadians by giving that passion expression through her words and through her work in the service of those in need.

Hospice Palliative Care Ontario, through the June Callwood Circle of Outstanding Volunteers honours not only June, her tireless commitment, and contributions to the hospice movement but also those who receive this prestigious annual award.
