

Welcome to the HPCO On-Demand Learning Hub

for Interdisciplinary Staff of Long-Term Care Homes and Community Support Services (CSS) located within the Ontario Health Toronto region

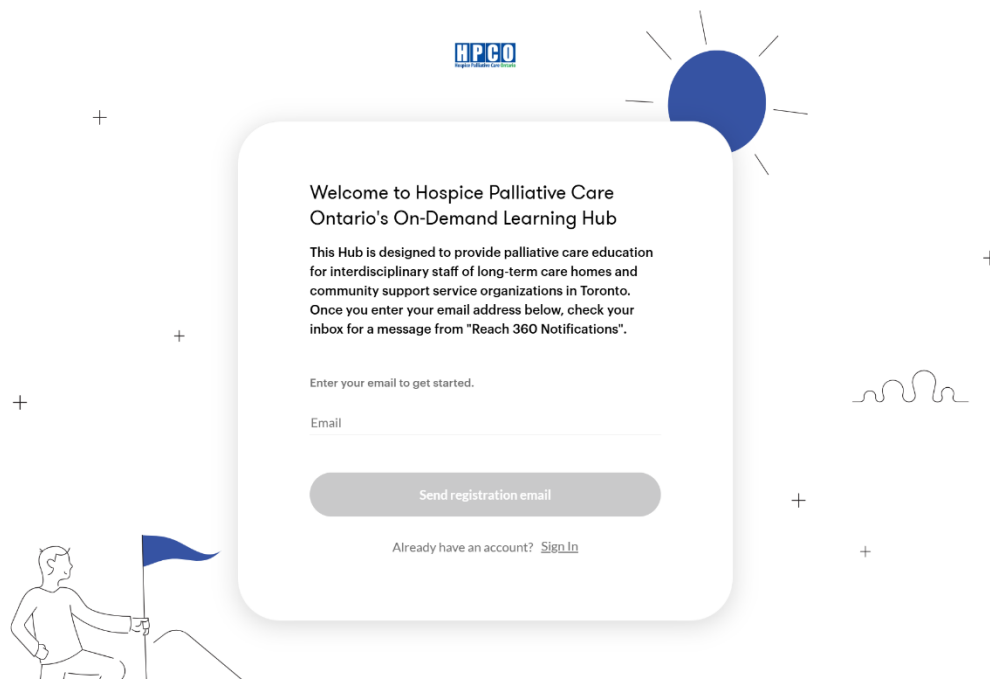

HPCO's online Learning Hub offers self-paced, on-demand training for interdisciplinary staff of LTC homes and CSS organizations in Toronto.

The Learning Hub offers timely continuing education allowing flexibility for busy professionals and growing organizations. Learners can access high-quality, expert-led hospice palliative care education and training sessions from anywhere with an internet connection, and they can learn at a time and pace that suits their schedule.

The Learning Hub is offered free of charge for individuals working at a Long-Term Care Home or Community Support Service Organizations within the Toronto region. An account is required.

How to Navigate a Course

- The system is set up so that the learner must view all the content in order to successfully complete each course.
- Learners cannot skip through videos – they must be viewed from start to finish.
- You can exit the course at any time, by clicking the “Back To My Learning” link at the top left of the screen.
- You can resume the course by clicking on it from your [“My Learning” dashboard](#). Videos will resume playing at the same point you previously stopped.

Access your Certificate of Completion

A Certificate of Completion is provided when the full course content has been viewed. You can access the Certificate in the following ways:

1. When you complete the course and click “finish”, an option to download your certificate will appear.
2. Completed courses will display on your [Learning dashboard](#). A link to download each certificate will be displayed below each course that has been completed.
